

## 2022 Events for Prospective Families

Attending one of these events gives you and your child the chance to meet our Principal and key staff. You will learn more about our ethos and outcomes. You will see our campus and have all your questions answered.

At our Open Days, you will hear from existing students and enjoy a few short performances. At our Tennis Open Days you will meet your future elite tennis coaches at Sydney Olympic Park. At our Infants Experience Days, you will hear from our Director of the Junior School while your child is paired with a buddy to experience a portion of a typical day in class. And finally, our Auditions on Campus really are the best way to showcase your talent. If these dates don't suit, you can always book a private tour with our Principal.

TERM 1	
Wednesday 16 February	Open Morning
Friday 11 March	Open Day
